This would make the game more exciting.. This would make the game more exciting.. I bought this with a bundle because I wanted to try on the road, so I paid another dollar for literally nothing even close to worth 3 dollars. Please do not buy unless you are buying bundle and want to waste one dollar.. I bought this with a bundle because I wanted to try on the road, so I paid another dollar for literally nothing even close to worth 3 dollars. Please do not buy unless you are buying bundle and want to

waste one dollar.
